

## **For Immediate Release**

### **Experience Luxury while enjoying Paradise with personalized tours and services by The Concierge Elite in Puerto Rico**

**San Juan, Puerto Rico, Sunday February 26, 2017** – The Concierge Elite had been taking care of luxury travelers that want to explore the hidden gem in the Caribbean. The luxury concierge company always takes care of all the requirements of their high-end clientele to provide a unique and personalized service during their stay in Puerto Rico.

Even though Puerto Rico's tourism has decreased the past year, there is still a good amount of luxury travelers that are coming to the island with the help of a personal concierge that arranges every single detail of their vacations. The Concierge Elite will book flights, hotel reservations, restaurant reservations, tours, transportation, grocery shopping, group conventions, family getaways, weddings and even relocations to Puerto Rico.

“Usually the luxury travelers that visit Puerto Rico think that here the concierge is a travel guide, but we are much than that. Here in the Concierge Elite, we're showing the best that this beautiful island has to offer in terms of luxury. We are changing the face of traditional concierges, we will go above and beyond to exceed our client's expectation, service is the key our success”, stated The Concierge Elite CEO, Luis Alvarez.

Some of the unique personalized tours that The Concierge Elite will offer are: One day trip to the brightness bioluminescent bay on the world at Vieques. Also, they offer a unique Rainforest experience, 12-hour road trip around the island, High-end “Chinchorro” tour, East Island Catamaran excursion and Romantic getaway among others.

“We can provide from a last minute helicopter ride to wherever you need it on the island or anywhere in the Caribbean right now to the most romantic setting for you to propose, you name it, we can make it happen” mentioned Alvarez.

The Concierge Elite (TCE) is a high-end concierge company whose purpose is to please the client, adapting to their needs, not the other way around. The company has a great reputation for giving the best luxury services and personalized tours before, during and after their travelers stay on the island. For those who are looking for booking and additional information about the personalized tours can enquire through the official website of The Concierge Elite at <http://theconciergeelite.com> or [info@theconciergeelite.com](mailto:info@theconciergeelite.com).

###
